BROKEN PENGUIN

SMALL, STRANGE GAMES.

Broken Penguin Inc. is a tiny independent studio. No investors, no roadmap deck, no growth hacking. Just a few people who like games that feel handmade.

We named ourselves after a penguin that fell off an iceberg and kept going anyway. That's the whole business plan.

FOUNDED	2026
BASED IN	8 The Green, Suite B Dover, DE 19901 United States
TEAM SIZE	Some penguins
GAMES	0 released; first game in development
